PAST GRAND COMMANDERS JEWEL .-The elegant Past Grand Commanders Jewel which was voted by the Grand Commandery of the Knights Templar to R. E. P. G. C. George M. Hall, of the State, at their annual session in Burlington in June last, is now on exhibition at the Jewelry establishment of Brinsmaid and Hildreth. The Free Press says: The Jewel was made in New York city, after designs furnished by Mr. Wm. Brinsmaid, the chairman of the committee to whom the subject was referred, and is certainly one of the most tasteful, as it is by far M. D., of Swanton, now Grand Master man of the committee to whom the subject was referred, and is certainly one of the most tasteful, as it is by far the finest ever presented to a Masonic officer in the State. It is made of pure gold and its cost was \$100. The general design is a circular filat border of gold, three-cights of an inch in width and two and one-eight in diameter. On one two and one-eight in diameter. On one two and one-eight in diameter. On one side of which is engraved, in German text, the words "Grand Commandery," "State of Vermont," on the reverse, in full block letters, the inscription "R.E. Past Grand Commander, Geo. M, Hall 1868." In the centre of this is a Maltese Cross, the arms of which are of red enamel, bordered with gold, sur nounted by a Passion Cross, of white enamel, raised on a black enamelled shield with

a gold border. This ring is suspended on a gold bar, above which is a slide, and all hung on a pin-by means of a broad scarlet watered silk ribbon. The whole work is richly and appropriately chased, and forms an exceedingly elegant as a valuable gift. It will be on exhibition at Messrs. Brinsmaid & Hildreths store for a few days before being presented.

NARROW ESCAPE. -Quite a narrow escape from a serious accident, says the Newport Express, occurred in Westfield one evening last week. About twenty men and women got on a sled, and started to slide down a steep hill near Josiah Miller's house. When near the bottom of the hill and going at railroa I speed, the sled run out of the road and struck the fence, throwing the inmates in every direction, and piling the young ladies in a very ungenteel position. Several were seen practicing the Grecian bend to an alarming extent. Moody Bedell was jammed between the sled and fence and seriously injured. Another young man was thrown at a distance of twenty feet before landing. Several others were more or less injured. It was a providential escape from a sad accident.

l'ULTON MARKET.—Just received, a nice lot Dried Beef, Sugar Cured Hams, Bologna Sausage, Sweet Potatoes, Tomatoes, Pears, Peaches, Water Melons and Musk Melons.

The best Quartette in the profession, under the direction of E. LINCOLN, Balladist, late of Rossint's English Opera Troupe. Charie McCAW-LEY, the great Song and Dance Man, in which he has no equal. Full and efficient Orchestra, led by N. W. TORRY, the great American Violuist.

One of the few things that the North and Sonth will probably ever fully agree upon is that "Barrett's Vegetable Hair Restorative" is not only the best preventive to the hair falling out, but also the finest dressing ever before the public. It richly deserves the "Silver Medal" awarded by the New Hampshire State Fair .- Dubuque Times.

Letters from Havana state that all the troubles in Cut a will doubtless be amicably arranged upon the arrival of

Gen. Dulce. A cable despatch, dated Campaigne, Dec. 9th, statee that the Emperor has had a long interview with Drouyn De L'Huys, formerly Minister of Foreign

Affair s. Well informed persons state that the formation of a new Cabinet has been agreed upon between the Emperor and the old diplomat; that M. Moustier is to resign, and M. Drouyn De L'Huys

will take his place. The friendly feelings of the latter for Austria, and the part that the Empire is to p.ay in European affairs should war break out next spring are said to be the cause of the change.

NEW YORK, 10th. The following Cable specials are published:

Madrid, 9th. News from Cadiz up to a late hour last

night has reached here. The insurgents in that city still occupied the Hotel de Ville and the surrounding houses, and have errected harricades.

The Government troops occupied the custom house and the buildings in the neighborhood up to the city gates. All the foreign consuls had taken ref-

uge in the custom house. The civil Governor of Cadiz fled to San Fernanda. The insurgents have forced all the able-bodied men into their ranks, as

well as prisoners and convicts. VALLETTA, 9th. Despatches from Sicily report a fresh eruption of Mount Ætna, Tuesday. The volcano broke out with great violence, ejecting flames and lava till 5 o'clock

this a.m. The torrents of lava devastated the surrounding country.

At last accounts, the volcano was enveloped in smoke. Great crowds have gathered on the southern shores of Malta to witness the scene, which, though 120 miles off, is

distinctly visible. MEMPHIS, Tenn. 9th. Ark., reports that a series of horrid outburg. On Saturday night a disguised party went to the house of Alvin and Wash Lewis, colored men, living near that town, with two white prostitutes who had been repeatedly ordered to leave the country, on account of their bad character. The party broke into house and killed Wash, and run Alvin off. On Saturday, Capt. Matthew's company of colored Militia went to the neighborhood, and arrested Joe Jackson and Robert Perry. Four of the negroes then took Perry into a cane-field, and shot one of his ears off, when he broke from them and escaped. They then shot Jackson and left him mortally wounded. He was found in a dying condition, but able to tell who committed the crime before he expired. The negroes then went to the house of a Mr. Hooper, aged 60 years, whom they carr.ed off and shot down in the road. The Sheriff who is a Republican says that Hooper was guarded and he told the citizens to organize and place themselves under him and he would arres! Matthews and his band, although he thought it would involve a conflict between the Militia and Negroes. He sent a petition to Gov. Clayton to disband the Militlathere. The greatest excitement exists and the arrests continue.
